

KS1 Worksheet: Colour your own robot

Say hello to our robot! She needs a bit of colour – can you help?

- Colour her in in your own choice of colours, then label the parts of her body with arrows

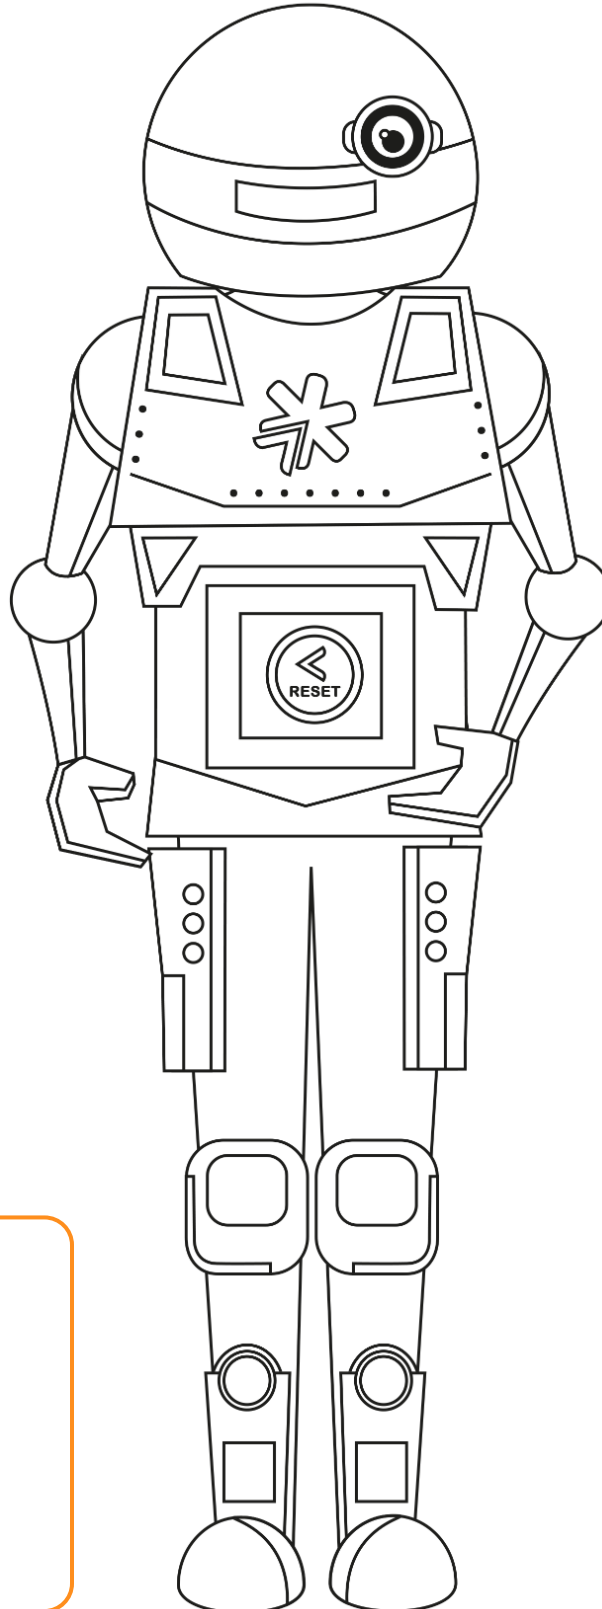

All robots have computers inside...

- Draw an arrow to where you think her computer is!

Computer

If you were choosing a new fun name for our robot, what name would you choose?

Write it below:

Head

Arms

Body

Legs

Feet
