What I learnt today

We hope you really enjoyed the Healthy Lunch-Bot Coding Adventure and meeting 'Professor' Trice and Al the Robot. You learnt some important computer words:

algorithm, design, test, debug

Can you match the word with the correct meaning?

GO	Test	a step-by-step set of instructions
‹	Debug	when you think things through before you start
▦	Algorithm	when you see if everything works
▦	Design	when you try different things until you get what you hoped for

Draw your favourite part of the show!

'Professor' Trice and Al the Robot would love to hear about your favourite part of the show.

Can you draw your favourite part of the show?

Write a sentence to describe what you liked best about the show:

....

Al the Robot and 'Professor' Trice would love to see your drawings, so if would would like to, please send them to al.the.robot@getwiththeprogram.org.uk
