

This pack contains the following printable resources:

- Lunar lander 'start' card
- Moon rocks and craters
- Oval robot
- Additional 'broken' moon rocks, craters and moon rock bag for ages 7+ extension super challenge

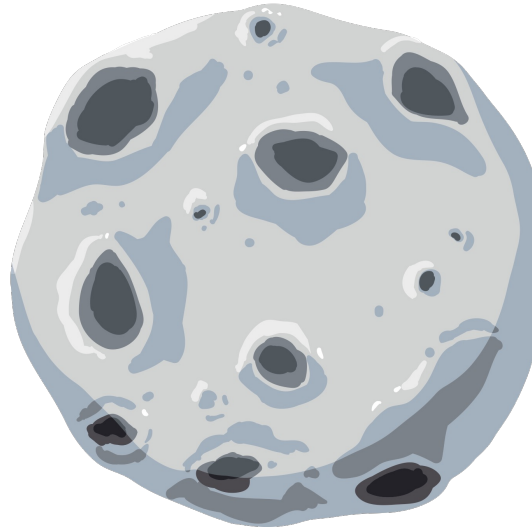

Please only print and cut out these resources if you are choosing not to use the alternative options (real items, paper bags, etc.)

They need to be printed as single sided A4 sheets.

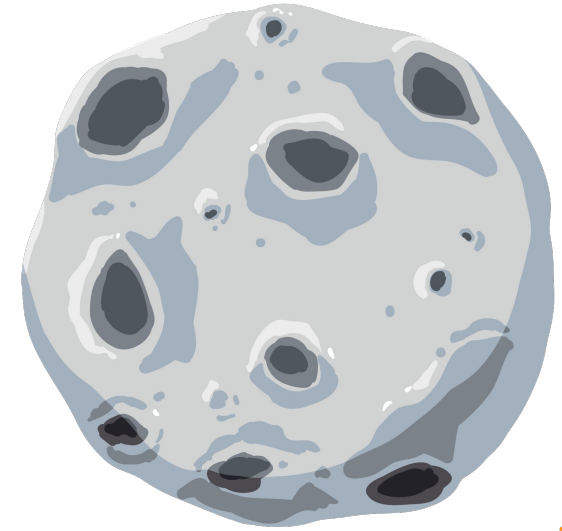

If you are not completing the extension challenges, you can just print the first page of the images if preferred.
