

Moon Landing Jobs in Aerospace Bingo Game

This pack contains the following printable resources:

- 'Jobs in Aerospace' bingo boards
- List of jobs to call (optional to print)

Please note, you do not need to print the last page of job roles, these can be called out by the teacher if preferred. Alternatively, they can be printed and cut out and picked at random.

They need to be printed as single sided A4 sheets.

Please do not print this first page.

Eco friendly idea: Print once and save to reuse them by playing bingo with counters
